

AYORINDE, AYOMIDE DAVID

B.Sc. (Statistics, Abeokuta.)

Research Assistant || Data Scientist || Promising M.Sc. Candidate

+2347016743886

Ayorindeayomide08@gmail.com

PERSONAL PROFILE

An enthusiastic second -class statistics graduate with a zeal for improving outcomes through research, Artificial Intelligence/ Machine Learning and potentials of becoming a force to reckon within the academic space. I possess a year research experience. My interest lies in teaching statistics and adopting existing statistical techniques aimed at developing statistical models for solving current and emerging real-life problems. I combine my high passion for academic and research indulgence with utmost integrity, exemplary commitment and outstanding dedication. I am very resourceful, result oriented and impact driven.

EDUCATION

B.Sc. Federal University of Agriculture, Abeokuta, Ogun State (Statistics) August 2024
Project: Statistical Quality Control of Sachet Water - A case Study of Adelak Water
Grade: Second Class Upper Division
Gained industrial experience, analytical, technical writing and critical thinking skills

SSCE Methodist High School, Arigbajo
Overall Performance: Very good

PRIZES, HONOURS AND AWARDS

- | | |
|---|------|
| • College of Physical Sciences Students Association (COLPHYSSA), FUNAAB Chapter Award of Excellence and Service | 2025 |
| • Association of Statistics Students' of Nigeria (ASSON), FUNAAB Chapter Leadership Award | 2025 |

RESEARCH EXPERIENCE

As an upcoming and growing researcher in statistics, my previous research centered on statistical quality control and public health.

- I investigated the process of a sachet water production company by implementing the “qcc” package of R.
- I examined the role of digital health companies in health systems strengthening in Nigeria
- I explored the role of communication quality in patient-health worker conflict: a scoping review

AI/ML PROJECTS

- [Diabetes Prediction](#)
- [Heart Disease Prediction](#)
- [Credit Card Fraud Detection](#)
- [Loan Status Prediction](#)

WORK EXPERIENCE

Kaysky Nigeria Limited

Position: Journey Manager / VIO Officer /Tracking Manager

2024 - Till date

Responsibilities:

- Ensuring the quality objectives and delivery deadlines are met

- Managing, evaluating and reporting on truck functionality through proper recording of movement, fuel consumption and general maintenance
